

Spring Grove Area Businesses and Organizations— **WE NEED YOU** to take part in Uffda Fest!

Uffda Fest is a collection of events and activities hosted by YOU –
our wonderful local businesses and organizations.
Collectively, these events and activities add up to Uffda Fest in Spring Grove!

WHAT'S NEXT?

- **Brainstorm** an activity or event that your business or organization can host.
- **Email us** (SpringGroveAreaChamber@gmail.com) details to add to the schedule and to promote.
- Consider also being a **sponsor** (see enclosed info) to help with costs of the overall event.
Sponsors that also host an event get a complimentary sign with their logo on it!
- **Ask questions!** We're here to help brainstorm and plan!

WHAT'S AN UFFDA FEST EVENT?

Events can be promotions or special events happening in your place of business or something you as a business / organization are coordinating in the park or surrounding area.

NEW THIS YEAR – UFFDA SCOOT

The **Uffda Scoot** is a creative and entertaining golf cart / side-by-side ride through Spring Grove stopping at various places along the route for simple games or activities. Would you like to be an Uffda Scoot stop? Let us know and we'll work with you on details!

THE SPRING GROVE AREA CHAMBER OF COMMERCE WILL HELP YOU*:

- Make sure your event complements (and doesn't compete with) other activities in town
- Know what you need to do to reserve city spaces or close streets as needed
- Promote your event via newspaper, radio, posters in Spring Grove and surrounding communities, and social media

***Available to all area businesses / organizations, not just Chamber members!**

WANT TO USE A CITY SPACE OR REQUEST A STREET CLOSURE

The Chamber currently has the Log Cabin, Viking Memorial Park, Maple Drive, and 1st Avenue NE reserved for potential Uffda Fest activities. These areas are not solely for Chamber use, but are available for others to use, please check with us on availability if you're needing such a space.
